4. C & S Care Management and Healthcare Services. Our building is ruined, but we salvaged all of the necessary items. We are currently officing from home until our new office is ready, which should be in the next two weeks. We are fully functional and would love to be able to provide in-home care for those who need it. We can currently provide home health services and personal assistant services only. We should be in full service within the next two weeks. Also, for a limited time, we are now offering a 10% discounted rate for the first four weeks of service for all new clients. This discount is one way that we can help those in need due to Hurricane Ike. We can serve clients on the Northwest, West, and Southwest sides of Houston. We also serve clients in The Woodlands and Katy. Please let us know how we can help!! And please feel free to send this information to anyone that might benefit from it. We are here to serve!
